

**Dolores E'nama**  
**Poet and Story Writer**

I have been a poet and writer since my early childhood. Over the years I have been blessed with a creative gift of being able to bring words and verse to life for all ages to enjoy. My dream and goal is seeing my work published on the global market for children and young adults. I have a vast collection of short stories, poems, picture book stories with an inspirational theme and fairytale stories that are geared to all ages, children, and adults. My employment history over the years has always involved journalism and writing including: Reporter for the Hazelton PA. Times Newspaper, Correspondent for outpatient health and welfare for BlueCross, BlueShield Insurance Company in Newark, N.J., Founder and Director of The East Brunswick N.J. "Poets Corner", Editor for the Poets Corner Anthology (Sponsored by the New Jersey Arts Council).

Thank you for taking the time to read my poem on September 11th... Your expertise and suggestions will be welcomed and so appreciated.
